

**FOR STUDENTS WHO
HAVE NOT RECEIVED AT LEAST A “B” IN AP/HUMA 1970 6.0A
AND/OR WHOSE ACADEMIC DECISION DOES NOT STATE
“MAY CONTINUE IN HONOURS”**

There are two special requirements for continuing in and graduating in the Children's Studies Program:

1) an Honours GPA (weighted average on all York courses of at least a C+ = 5.0 = 65%);

and

2) at least a "B" in HUMA 1970, 2690, and 3695.

If your GPA drops below the 5.0 required to graduate in an Honours Program, your Academic Decision may read “May continue only in Bachelor’s Program.” Because Children’s Studies is available only as an Honours (120-credit) program, if your Academic Decision does not say “May continue in Honours,” you need to withdraw from the CHST Program and choose a different major in a program that has a 90-credit BA. (If your GPA becomes Honours again later, you can apply to rejoin the CHST Program.)

If your Academic Decision says, “May continue in Honours,” either because your GPA is 5.0 or above or with a warning that although you cannot graduate from an Honours Program with your current GPA, you are being allowed to continue in Honours, **and** you have not been successful in getting at least a “B” in HUMA 1970, you may continue in the Children’s Studies Program only by repeating HUMA 1970. You are allowed to repeat a course once: the grade from the first time the course is taken remains on the transcript but it is notated as “NCR” (no credit retained) and it stops counting towards the GPA. The grade from the second time the course is taken becomes the grade of record. Please see the Repeated Courses Policy at <http://www.yorku.ca/univsec/policies/document.php?document=92> .

HUMA 1970 will next be offered in Fall-Winter 2016-17. The Course Director and Lecturer will be Professor Alison Halsall. Several tutorial instructors will teach the tutorials.

If you decide to choose a different major and have passed HUMA 1970, the six credits from this course can count as a Free Choice course for another major. If you major in Humanities, the six credits from this course can count towards your Humanities major or minor (one 1000-level course is allowed in the Humanities major).

Children’s Studies students are encouraged to seek regular advising: please see Children’s Studies Advising availability at <http://chst.huma.laps.yorku.ca/advising/how-to-meet-with-an-advisor/> .
